

Where the Money Goes

**A gift of any amount adds up to big change.
Here's how your support can make a difference:**

\$5

Can vaccinate a child in the poorest countries against five deadly diseases.

\$10

Can help provide a safe place for a child to go during the summer.

\$50

Can provide one year's tuition, supplies and textbooks for a child in a developing country.

Red Nose Day works with incredible grantee partners to impact children in need in America and around the world.
